experience

Assistant + Intern

Jason Fulford / J&L Books

June-July 2018

Archived negatives and contact sheets. Assisted in research, business promos for J&L Books, shipping book orders, and production process of current book project. Assisted in prop building for editorial and gallery.

Studio Intern + Assistant

Daniel Shea

June 2018

Assisted on set as second and third photo assistant for editorial and commercial fashion shoots. Scanned, organized, and retouched analog files. Worked alongside studio manager to maintain an organized digital workflow, fulfill studio duties, and build and maintain the studio space.

Equipment Specialist

RIT Photographic Equipment Rental Cage

Aug. 2017 - Present

Handles and maintains inventory of industry standard photographic equipment. Troubleshoots and inspects functionality of digital and analog equipment, printers, and photographic facilities.

Imaging Systems Lab Technician

RIT Imaging Systems Lab

Aug. 2017 - Present

Handles, reviews, and organizes customer files for easy in-house workflow. Handles large-scale Inkjet printing and mounting and ensures print production quality. Operates and maintains C-41 Processor for 35mm, 120mm, and large format color film development and packaging.

Staff Photographer

Saunders College of Business

Sep. 2016 - Present

On-location event coverage for advertising and promotional use. Coordinates with employer and co-workers for effective strategized coverage of events. Edits and post-processes while providing files in a timely manner.
