For an episode of the Nearest Truth podcast, Alan and Jonas also spoke with Brad Feuerhelm about their collaboration. Listen to it here:

Nearest Truth

A CONVERSATION Jonas Feige and Alan Huck

- J Maybe the best way to start this is to ask the most obvious question: Why collaborate?
- A Well I think we've been "collaborating" in a sense for quite a long time—it just happens to be manifesting in a more explicit way now that we're sharing authorship of this joint publication. So much of our friendship has been centered on mutual interests in art and literature
